Ordering Outreach Materials From Healthy Mothers Healthy Babies (HMHB)

WIC outreach is conducted by the State WIC Office and by local WIC agencies. The State WIC Office contracts with Healthy Mothers Healthy Babies Coalition of Washington (HMHB) to operate a toll free line and to develop, translate and distribute WIC outreach materials. In addition to WIC, the HMHB 1-800 line receives calls for Immunizations, Family Planning, Child Profile, and Children with Special Health Care Needs. All callers are screened for income status and those eligible are referred to WIC regardless of the initial reason for their call.

1. How to order outreach materials from HMHB.

Please fax or mail the enclosed form to order outreach materials from Healthy Mothers Healthy Babies. HMHB staff will send the outreach materials within two weeks of receipt of the order. Rush orders need to first be approved by the state WIC Office and then faxed to HMHB.

Healthy Mothers, Healthy Babies Coalition Of Washington

Telephone: 1-800-322-2588. 300 Elliot Avenue West
FAX: 206-270-8891. Suite 300
Seattle WA 98119-4119

2. Materials available from HMHB include:

- A. **WIC One Page Outreach Flyer in 9 Languages:** The flyer includes the income guidelines. The addresses and phone numbers of all WIC sites in the county are printed on the reverse side of the flyer (see enclosed sample). The order form asks that you identify the county so the correct information can be printed on the back. If you need a flyer to use statewide or for several counties, use the generic flyer that does not have addresses listed on the back.

Languages available:	English,	Spanish,	Korean
	Russian,	Ukraine,	Tegrinya (being developed)
	Vietnamese	Chinese	Amaric (being developed)

- B. **“Tell Your Friends and Family about WIC”, WIC Appointment Folder Insert Being Developed:** The insert fits into the WIC appointment folder to make it convenient for clients to give out to their friends. The flyer has English on one side and Spanish on the other side. It is currently being translated and will be available in November. The income guidelines are included.

Languages available: English/Spanish.

- C. **Outreach flyer with four languages on one flyer, two on each side.** Income guidelines are included. The flyer explains that it is easy to apply for WIC. The four languages on the flyer are English, Spanish, Russian and Vietnamese.

- D. **WIC Multi-Language Poster with 4 Languages:** “Call WIC for Your Child’s Good Health. The four languages on the poster are English, Spanish, Vietnamese, and Russian.
